# FREQUENTLY ASKED QUESTIONS ABOUT THE ARIZONA CHARITABLE TAX CREDIT

### Always Consult Your Tax Advisor!

- What is the Arizona Tax Credit for Charitable Organizations?
- You may claim a tax credit for voluntary cash contributions you make during a taxable year to a qualifying charitable organization.
- () Is this the same as the School Tax Credit?
- Yes. It is similar, but taxpayers are allowed to take advantage of both tax credit opportunities.
- How much can I give?
- Maximum limits have gone up again for 2024!

  Married couples filing jointly can contribute up to \$938. Individual filers can contribute up to \$470. This is not the required amount- any amount will do! You can also make incremental cash contributions.
- Q Do I have to itemize my deductions to claim the credit?
- No. Any taxpayer who donates to a Qualified Charitable Organization may claim a tax credit.
- How does it work?
- Make your specified Charitable Tax Credit
   Contribution to the Boys & Girls Clubs of the Sun Corridor. The deadline to make this contribution has been extended to 4/15/25.
  - 2. The Boys & Girls Clubs of the Sun Corridor sends you a receipt. Hold on to it!
  - When paying taxes in the spring of 2025, include your tax credit to calculate a lesser liability or a greater refund.

- 4. The resulting figure is what you actually owe Arizona for 2024 or will be refunded by the State.
- What if I owe the state a remaining balance?
- For example: If you have a remaining state tax liability of \$938, since you donated a \$470 (single filing) tax credit in 2024, you immediately reduce that figure to \$468.

  That's the final amount of state tax you owe.
- What if the state owes me?
- For example: If you are due a refund from the state of \$200, since you donated a \$938 (couple joint filing) tax credit in 2024, you immediately increase that figure to \$1,138.
- Oo I claim my Charitable Contribution as a tax credit or a deduction?
- Your Charitable Contribution can be claimed as a tax credit since the Boys & Girls Clubs of the Sun Corridor is considered to be a Qualifying Charitable Organization. Please note, you cannot claim both a deduction and a credit for the same charitable contribution on your Arizona tax return.
- Are there other restrictions?
- If you have a very low taxable income, you could have state tax liability of less than \$938. You might end up going beyond your tax liability. If in doubt, check with a tax advisor.
- What is your QCO Code?
- All certified charities have been assigned a QCO (Qualifying Charitable Organization) Code. Donors will be required to use this code when taking the tax credit on their income tax returns. Our OCO code is 20360.
